Acadia Schoodic
Downeast Maine,
beyond Bar Harbor
Includes Donnell Pond
and Petit Manan

Map

Schoodic Area Chamber of Commerce

Gateway to Downeast Maine

The Schoodic area has more preserved land, more preserved coastline, more hiking trails, and more lakes than Acadia MDI, yet remains undiscovered by the multitude.

Experience coastal Maine without the crowds. Eat just-off-the-boat seafood, see local artists and shop atmospheric wares. Or cruise on a lobster boat, rent a bike and spend the night by breaking waves.

Minutes away, a World apart!

Note to Hikers

Much of the Schoodic area is still wild. This is especially true of Donnell Pond area, terrain is steep, and help is not always close at hand. Unofficial trails are unmaintained & unmarked. Unprepared hikers can become lost.

Frenchman Bay and Petit Manan hikes are less challenging and trails are well maintained. Inform yourself before you go:

- FBC Frenchman Bay Conservancy
- BPL Donnell Pond Public Lands of Maine
- NPS Acadia, National Park Service
- NWR National Wildlife Refuge
- MCHT Maine Coast Heritage Trust
- CN Crabtree Neck Land Trust
- UM Ice Age Trail, University of Maine

Dogs are welcome, check rules for individual hiking areas.
