Uncrowded and Unspoiled

The Schoodic area has more conserved land, more preserved coastline, more hiking trails, and more lakes than Acadia MDI, yet remains undiscovered by the multitude.

Experience coastal Maine without the crowds. Eat just-off-the-boat seafood, see local artists and shop atmospheric wares. Or cruise on a lobster boat, rent a bike and spend the night by breaking waves.

Minutes away, a World apart!

Note to Hikers

Much of the Schoodic area is still wild. This is especially true of Donnell Pond area, terrain is steep, and help is not always close at hand. Unofficial trails are unmaintained & unmarked. Unprepared hikers can become lost.

Frenchman Bay and Petit Manan hikes are less challenging and trails are well maintained. Inform yourself before you go:

BPL	Donnell Pond Public Lands of Maine
NPS	Acadia, National Park Service
NWR	National Wildlife Refuge
